

Next Generation Cyber Training

Give a man a fish and you feed him for a day, teach a man to fish and you feed him for a lifetime.

About

TripleP Training and Consulting Ltd. is a leading cyber & information security training and consulting company that provides wide range of trainings and cyber awareness programs for organizations and assist companies with the process of privacy regulations readiness.

Vision

Empowering Companies via the World's Best Cyber Security Training Professionals and Software Tool sets ready for any Cyber Attack whether IR, Intelligence, or Forensics.

WHY TRAINING?

Cyberthreat is the new normal

Cyber Attacks are growing in sophistication, impact and frequency

While cyber security may be fought with technology – it is the people who triumph

Companies and Security Operations Teams (SOCs) lack qualified resources and candidates

Experts: 3.5m+ unfilled Cyber experts by 2021

Global Cyber Security Training spend predicted to grow to \$10B by 2027

WHY TRIPLEP?

Tailor-made Courses – We develop courses tailored to your needs.

Top Gear Trainers – All of our trainers are experts in their field and in teaching

Updated Courses – Each course is being updated once in a 6 months.

Cyber Warzone – Personalized and practical training

OUR SOLUTION

Developing the most updated and technological cyber courses using one of the most advanced cyber training arena – **Cyber Warzone**

The **Cyber Warzone** allows us to use algorithms from the Machine Learning and Artificial Intelligence worlds to build a learning training big data analysis for cyber and coping scenarios.

The entire training set is based on **cloud** technology, which consists of many, varied and up-to-date practice labs
